

MOARA
CROCHET DESIGNS

Materials

- 3 meters white yarn
- 2 meters yellow yarn
- 1 meter yellow yarn
- Matching crochet hook to your yarn I have used a 2.5mm
- Yarn needle
- Scissors
- 30cm florist wire
- Wire cutters

Gauge: N/A. Use the smallest crochet hook you can with your chosen yarn to create tight stitches, this will help your petals keep the form & not flop.

Size: For my flowers I have used a 1.25mm hook with lace weight yarn creating a crochet daffodil flower of 2cm diameter.

Notes: The flower is worked in the round with the front & back petals made separately then stitched together.
